Football Squad Ready For Pine Grove Contest

Kickoff Scheduled at 2:30 Saturday Afternoon At Tahoe

Saturday afternoon at 2:30 has been set as kick-off time for the Tahoe-Truckee vs. Pine Grove football game. The game will be played on the Tahoe City golf course.

Not much is known about the strength of the Pine Grove team. However, the Wolverines will be out to avenge the loss suffered Tuesday when Lincoln High was the victor by a score of 26-6.

The probable starting line-up for Tahoe-Truckee will be Bob Tonini, RE; Tom Grow, RT; Ronnie Sanford, RG; Bill Walker, C; Dick Mandeville, LG; Charlie Cozzi, LT; Lewis Fellows, LE; Hugh Van Hooser, QB; Jay Stuart, LH; Dallas Marquis (game captain) RH; Jerry Quam, FB.

Coach Jim Brehler feels that the team will be ready for this game both physically and mentally.

Reno High School Junior Varsity football will end Tuesday of next week, with the young Huskies playing host at Foster Field for a 4 p.m. game against the Tahoe-Truckee Wolverines.

Details of this week's games on another page of the Sun today.

At a meeting of the Nevada Interscholastic Athletic Association, held at Winnemucca over the weekend, Tahoe - Truckee High School was voted into full league membership of the Western Nevada League. This membership and actual league competition will start September 1, 1953.

The league includes Carson City, Humboldt (Winnemucca), Yerington, Manogue, Pershing (Lovelock), and Douglas (Gardnerville) high schools.

The Western Nevada League has schedules for football, basketball, track and baseball. Tahoe-Truckee High School has been invited to take part in the basketball tournament which will be held at the University of Nevada early in March of this school term.

Tahoe-Truckee is looking forward, with a great deal of pleasure, to the opportunities that are to be theirs as a result of their admission into the Western Nevada League.

FOOTBALL DANCE SATURDAY NIGHT

The sophomore class of the high school will be the sponsors for the first football dance Saturday evening to be held in the school cafeteria from 8 to 11:30 p.m.

The theme of the dance is "Quarterback Sneak" and will honor the football players. The dance committee chairmen are Ellamae Mercer, decoration; Ginger Reynolds, advertising; Lewis Fellows, door; Roberta Peden, refreshments; Mary Ann Tonini, phonograph; Sharon Pace, student chaperone; Dick Mandeville, clean up.

Miss Loma Sorensen is chairman of this gala affair and hopes the recently adopted rules will add to the increased enjoyment of all. Admittance to dance from 8 to 9 only. A person leaving the dance before 11 p.m. must sign at the door and anyone who leaves the dance may not return.

SUPERVISORS NAME HEAD FOR SCHOOLS

NEVADA CITY— Genevieve Kent, a retired educator who served as a Nevada County elementary school instructor and principal for 45 years, has been appointed Nevada County school superintendent to succeed Walter A. Carlson, who died of a heart attack September 22.

The appointment was made late last Thursday by vote of three Nevada County supervisors, Carl J. Tobiassen of Nevada City, F. J. Rowe of Grass Valley and Henry G. Loehr of Truckee. Supervisors Guy N. Robinson and J. C. Coughlan, representing two rural districts, declined to vote.

Miss Kent joined the county school system in 1905 and retired in 1950.

W. B. McClard, retired Grass Valley educator, did not receive a vote. R. Lee Ross, a member of the rural school and administrative staff, was declared ineligible because of inadequate credentials.

Mrs. Doris Foley was appointed to the post September 26 but resigned a week later when the state declined to grant adequate credentials to her.

Curran Guests—

Guests at the home of Mr. and Mrs. William Curran Sunday were Mr. and Mrs. Ernie Frolic, Mr. and Mrs. Wm. Prendergast and John Brownell of Reno.

Wyethia Group Opens Drive To Get Out Voters

Wyethia Woman's Club set up a committee on October 17 to emphasize a "Get Out the Vote" campaign. This program is sponsored by the General Federation of Women's Clubs.

"We criticize government, and that is our privilege, but we should not do so unless we actively participate in its affairs. Crime, corruption and waste will go on just as long as we continue to enjoy the privileges in this great country of ours but refuse to accept citizenship responsibility of voting," spokesmen declared.

Mrs. David Rose, president of the club, said: "The trend toward dictatorship, either by an individual or a group, is before us now and it is inter-nation in scope. The peoples of many countries seem to be willing to have governments take over. Some people in this country are leaning in that direction. Such thinking leads to the centralization of power in government. Fixation of such thinking may result in a change in the ideology of our own government.

"Education, patience tolerance, unselfishness, sacrifice, fortitude and intelligence must be ever present if we are to preserve our greatest heritage, representative government, for the people of the United States. Remember to vote November 4."

Mrs. Rose presided and Mrs. Les Deckwa acted as secretary in the absence of Mrs. Art Couillard. A movie on Girl Scout leadership and training was shown by Lynn Kishbaugh. Candidates for officers for the coming year were announced and accepted.

Tea hostesses for the meeting of November 7 will be Mesdames Walter Loynd, E. L. Loynd, Roy Stallard, L. D. Nelson, Jack Nuegebauer, Cliff Ellis, Glenn Coffey, William Schull.

P. M. WEDDELL, DONNER STUDENT, DIES IN SAN JOSE

SAN JOSE— Peter M. Weddell, retired San Jose school teacher and one of the world's leading authorities on the history of the ill-fated Donner Party, died here Saturday, at the age of 88.

Weddell, starting in 1920, spent all of his spare time, and much of his own money, marking the trail of the historic Donner Party which perished in the Sierra.

He erected monuments at historic spots along the Donner trail and collected many souvenirs and relics left by the party. He presented many of these historic items to museums across the nation.

In 1938 he retired as a teacher of commercial law in the San Jose school system and up until two years ago when he became ill, he devoted most of his time to research on the Donner Party.

He had been an active member of the California Historical Society for many years. Weddell was a widower and had no close relatives.

Burglar Loots Bungalow, No Clues Are Found

Jerome Harvey, operator of The Bungalow at the west end of town, reported to Deputy Sheriff Roy Waters that his cafe had been entered and robbed of approximately $100 some time Sunday night or Monday morning. The back door of the establishment was forced open and the cash register, a juke box and other money containers looted. Waters said no clues were left by the burglar.

Self Defense Method Demonstrated at Rotary

TAHOE CITY— "Ka-to" or the art of unarmed combat was explained and demonstrated at Tuesday night's meeting of the Tahoe City Rotary Club by Bob Hobbs of Kings Beach, assisted by Harold Stark. This was the method taught the U.S. Marines for hand-to-hand and jungle warfare during World War II.

Hobbs also told of his experiences on Imojimo.

Denis Sach presided and Stark was program chairman at the meeting, held at Homewood Hotel.

Tramway To Be New Feature At Summit Lodge

Sugar Bowl Winter Season Opening Planned for December 19

NORDEN— Walter E. Haug, manager of the Sugar Bowl resort on Donner Summit, has announced extensive improvements at the popular resort for the approaching winter sports season.

Most outstanding in improved facilities will be the Magic Carpet, an aerial tramway extending from Highway 40 to the doors of Sugar Bowl Lodge. Foundations are already in and most of the material required for complete construction is on hand, Haug said. Providing weather conditions permit, the tramway will be in full operation before Christmas, Haug predicted.

The Magic Carpet's 12 enclosed cabins, each holding eight passengers, will transport its loads over the top of the snow and deposit them at the lodge, a distance of more than 3,000 feet, in five minutes. The Magic Carpet will be operated by Jerome Hill and Hannes Schroll.

Another innovation at the resort is the new double chair lift which was constructed to replace the old one and extending over the tip of Mt. Disney. This Heron-designed and engineered lift has a capacity of 600 persons per hour and its extension to the top of the mountain offers better and longer runs for experts and beginners.

Bill Klein will again direct the ski school, assisted by Johnny Weeks, Jean LeGras, Robert Linder and Willy Stickler. Bill and Helen Klein will operate the ski shop and Katie Starratt again will officiate as sports director.

Official opening date for the Sugar Bowl has been set for Friday, December 19, Haug said.

LAST RITES HELD OCTOBER 15 FOR IDA McCLASKEY

Last rites were held in Los Angeles October 15 under the auspices of the Belvedere Chapter, Order of Eastern Star, for Mrs. Ida McClaskey, well known here and at Hobart Mills where she was postmaster for more than 17 years. Later she became postmaster in the southwest district of Los Angeles.

Mrs. McClaskey was a native of Gold Hill, Nevada, and the wife of the late Fred McClaskey, who died in the southern city last year. She was a prominent member of Truckee Chapter, Order of Eastern Star, which she joined in 1905, continuing her membership through the years.

The deceased is survived by her daughter, Mrs. Edna Beverley Wilkins; graddaughter, Dianne Wilkins, of Los Angeles; her sister, Mrs. Hannah Stewart, who, accompanied by the latter's daughter, Mrs. John Gracik, went by airplane to the services; and a brother, William J. Thomas of San Francisco, and several nieces and nephews.

The passing of the former local matron was sudden, apparently brought on as the result of a fall in her home. During the summer, she had been the guest of Mrs. Stewart and apparently was in good health.

Mrs. Carter Fractures Collar Bone in Fall

Mrs. Joseph Carter Sunday was taken to the Tahoe Forest Hospital with a broken collar bone, suffered in a fall at her home in Gateway Park that evening. Following treatment by Dr. George Hahn and a night in the hospital, Mrs. Carter is home. She had been employed as cashier at Rose Brothers Market this summer and her husband operates the meat department there.

Sunday Birthdays—

Among those observing their birthdates Sunday, October 19, are Mrs. John Street, Mrs. T. T. Buell, Mrs. Douglas Barrett and L. W. "Skip" Ferdinand.

Sun Beams

by Walter M. Barrett

The untimely death of Jerrold L. Seawell Tuesday ended the career of one of California's most colorful, progressive and hard-fighting veteran politicians, and one of this district's best and staunchest friends. As a member of both the lower house and senate, prior to his election as a member of the powerful state board of equalization, of which he was chairman, Jerry Seawell was an ardent supporter of fair dealing legislation and was constantly alert to every issue, large or small, which affected his district, allowing no individual or pressure group to take advantage of even the smallest of his constituent communities. The big percentage of votes given him at every election attests to the high esteem in which he was held by the legion of friends who will mourn his passing. Truckee, Lake Tahoe, and for that matter every community throughout this region, could well do with more friends like Jerry Seawell in our state government. One of the most rare privileges we have enjoyed over many years was our close association with this good friend.

Regardless of how or for whom you vote, plan now not to miss the opportunity of casting your ballot on November 4. Study carefully the 24 propositions on the ballot, make a sound decision and vote with self-assurance that you have done what you believe right for the greatest number. Study, too, the qualifications and standards of the candidates and don't be misled by the last-minute personal attacks. If everyone votes, we have confidence that no mistake will be made in either the selection of the administration or the various issues to be determined. By all means vote November 4th—a week from next Tuesday.

30TH FOREST FIRE NIPPED IN THE BUD

The 30th incipient forest fire in the Truckee District of the Tahoe National Forest was stopped with little damage by members of the fire fighting crew of the Tahoe National Forest on Saturday when a man-caused blaze started in Russell Valley, two miles this side of Little Truckee River on Dry Creek Road.

Eighteen of the 30 fires of the season have been man-caused and the danger is still great because the season's total precipitation has been only half an inch since September, according to Henry Toccalini, dispatcher.

Mrs. Pedley Will Head Wyethia Club for Year

The nominating committee of the Wyethia Club presented their choices for officers for the coming year at the meeting held on October 17. Mrs. E. C. Bavier, chairman, Mrs. Stanley Songer and Mrs. Frank Giovannoni gave the names of Mrs. Fred Pedley for president, Mrs. Rex Reid for vice president, Mrs. Carroll Maynard for secretary, Mrs. Cliff Ellis for treasurer.

The new officers will be installed at a dinner meeting to be held November 21, the place not as yet named.

Oakland Audit Firm Finishes County Job

NEVADA CITY— An Oakland auditing firm retained by the Nevada County grand jury has completed a study of the books of the county departments and submitted a report to O. P. Steele, jury foreman.

Steele said the contents of the report will not be disclosed until grand jurors have an opportunity to examine it. The audit firm is Fowler, Holmes and O'Sullivan.

In Capital City—

Mr. and Mrs. Daven Morey and children spent the weekend at Sacramento.

Woman Driver Escapes Death In Car Accident

Ear Laceration Only Injury As Auto Dives 40 Feet Onto Rocks

Laceration of one ear apparently comprised the only injury suffered by Mrs. Bessie Hines Sprott, 37, of Sparks, Nevada, after her car plummetted 40 feet into the rocks below Donner Bridge Sunday.

Mrs. Sprott, who was taken to her home by a passing motorist, later said her car, which was going up the grade, was forced off the road by an approaching truck. The vehicle, she said, hit a rock and then the eastern abuttment of the bridge before diving into the rock-strewn canyon.

State Patrolman Martin Sturcke said his investigation bore out the driver's story and that no citation was issued.

Cisco Crash

In another spectacular crash Saturday evening, a car driven by Bing Lon Ju, 30, San Francisco, got out of control and overturned on the highway near the Auburn Ski Club grounds at Cisco. Injured and taken to the Tahoe Forest Hospital for treatment to minor injuries were Ju, Rolland Meo and Marquise Marie deLafreniere, also of San Francisco.

Patrolmen William Gautsche and Sturcke made the investigation and the latter indicated Ju would be cited for not having his vehicle under control. Ju had told the officers the front wheels or steering apparatus had locked but Sturcke said the investigation did not reveal any mechanical defects.

Truck Damaged

A Wells Cargo truck, driven by Donald Spencer of Reno, was damaged extensively Friday morning when the vehicle lost its brakes while coming down Donner grade and the driver was forced to pull it into the rocks. Patrolman Gautsche made the investigation. The driver was not injured.

Car Overturns

Charles Massie, Port Madera, and Paul Clouette, Mill Valley, were treated at the Tahoe Forest Hospital yesterday morning after a car driven by the former overturned on the highway near the Flycasters. Patrolman Gautsche cited the driver for driving without due caution.

J. C. Roberson Host At 8th Birthday Party

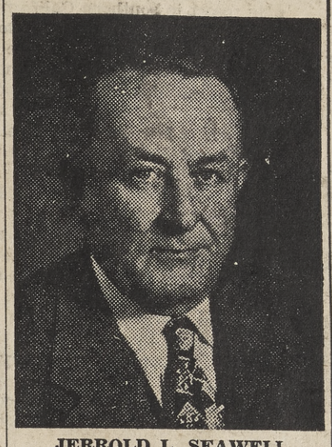
Payens to Folsom—

The E. E. Payen family have left their local ranch for their Folsom home.



JERROLD L. SEAWELL

Rites Are Held For J. L. Seawell

Funeral services for Jerrold L. Seawell, 55, member of the state board of equalization from the first district, comprising the 25 northern California counties, were held in Roseville today at 2 p.m.

Seawell died in Los Angeles Tuesday, only a day after his resignation from the board had been announced.

Probably no public official was as well thought of as the Roseville insurance man and former railroader, who started his public service as a school trustee in his own home town.

He had been a sick man for some time and ever since he was released from a Sacramento hospital some months ago, the effort of continuing in public service had been a strain on his physical well-being.

It was back in 1928 when the voters of the old third assembly district sent Seawell to the lower house of the legislature. As a freshman legislator, he rapidly won friends among his colleagues and grew to be one of the most respected and admired members of the assembly.

Seawell served two terms in the assembly and then was elected to the state senate in 1932, where he remained until 1946, when he ran for and was elected to the state board of equalization.

The name of Senator Harold J. "Butch" Powers of Modoc County, who presently is president protem of the state senate, a post Seawell held before he was elected to the board, has been mentioned as a possible successor.

CHURCH NEEDS AID TO PAY OFF $5,000 OUTSTANDING DEBT

Rev. A. A. Carmitchel is calling upon the community to share in clearing the financial obligations incurred by the Community Methodist Church during its building program in the past six months.

The plan for sharing, Rev. Carmitchel explained, is for each one to accept a number of "units" payable during the next three months or by cash payment. These units are valued at $10 each.

"The more units purchased at once will clear our call to the community for help and at the same time keep the creditors from constantly calling," the minister said. "We need about $5,000 to clear all debts at present."

Mrs. Augustus Benjamin, Mrs. Henry Beck, Mrs. E. H. Risden, Mrs. Gerald Waters and Mrs. George Kamp have been authorized to handle units and accept gifts.

Dr. Nelson, Family Back From Father's Last Rites

Dr. and Mrs. L. D. Nelson and son, Douglas, left Saturday for southern California to attend last rites for the former's father, L. F. Nelson, who died there following a lengthy illness. The deceased and his wife visited briefly with Dr. and Mrs. Nelson a year ago. The community extends sympathy to the local members of the family, who returned home Tuesday.

Patrolman Saves Victim Of Boat Mishap In Lake

Stallard Swims 200 Feet Through Icy Water To Boatman

A dramatic rescue by State Patrolman Roy Stallard and Hap Warnke, operator of Donner Lake Lodge, is credited with saving the life of Elmer B. DeWeese, 53, who was pulled from the icy waters of Donner Lake Monday afternoon following a boat mishap.

As reconstructed by Patrolman Martin Sturcke, who assisted in the rescue, DeWeese was trying out an outboard motor he planned to purchase and had it attached to a light boat. In some manner he accidentally accelerated the motor and the boat suddenly capsized, tossing the operator into the lake.

Unable to swim, DeWeese hung onto the side of the sinking craft long enough to sieze a "Mae West" life preserver in the bow. With this inflated he managed to stay afloat until help, quickly summoned, arrived. Warnke first swam out into the chill water but was unsuccessful in bringing the helpless victim to safety and had to abandon him in order to reach shore himself.

By this time, Stallard and Sturcke arrived on the scene and the former quickly stripped off his clothing and with a light rope, one end of which was held by aides on shore, swam out the 200 feet to DeWeese, who was near exhaustion and in a state of partial shock, and assisted him to land.

The Truckee ambulance was called and DeWeese was taken to the Tahoe Forest Hospital for observation and treatment for exposure and shock. He was later released.

The mishap occurred near the east end of the lake near Waggoners.

ABSENT BALLOT DEADLINE NEAR; OVER 400 APPLY

Next Thursday, October 30, is the last day for voters to make application for absentee ballots if they plan to be away from their polling place on November 4. Residents of Nevada County should make such application to County Clerk R. E. Deeble, Court House, Nevada City, California.

More than 400 persons have already applied to Deeble for absentee ballots for the coming general election.

Sample ballots are beginning to be mailed out by the clerk's office to all registered voters in the county.

Rosalee Kaspian Feted At Party on Tuesday

Mrs. Emily Bergmans and daughter Nancy entertained at a surprise birthday party for Rosalee Kaspian, who was 13 years old, on Tuesday, October 21. Games were played and a special cake and refreshments were enjoyed by the following friends of the honoree: Rosalee Christianson, Joyce Slate, Joan Stallard, Susan Baysinger, Carol Rosen, Jackie Abbott, Jesse Rablin, Loretta Farrar, Elbert Bergmans.

Truckee Men Penalized For After-Hours Hunting

Laurence Russell and Jack Ellis, both of Truckee, were fined $100 each by Justice of the Peace Robert Ogden at Fallon, Nev., Saturday on charges of shooting waterfowl after legal closing hours.

In the same court, on the same day, Justice Ogden fined Dr. Vernon Cantlon of Reno $500 on the same charge. Dr. Cantlon has appealed the judgment of the court.

A fourth hunter, Lawrence Mesch of Santa Monica, was fined $150 on a similar charge by Justice Ogden. All the defendants pleaded guilty to the charges.

Couple Pay Fines On Nevada License Charge

RENO— Justice of the Peace Laurance Layman assessed fines of $150 each against Eugene Antonson and his wife, Ethel, of Kings Beach after they pleaded guilty Tuesday to falsifying their address to obtain resident Nevada hunting licenses. The couple claimed residence in Crystal Bay, where they receive their mail, but maintain their home in Kings Beach, just over the line in California.

Return Home—

Mr. and Mrs. Felix Koehler are returning to Santa Cruz after visiting relatives here for the past three weeks.

NORTH TAHOE

by THELMA BURROUGHS

Mrs. Douglas Free of The Dunes at Tahoe Vista tells me they plan to close their resort this week for the winter.

Had a little talk with Mildred Burch last week, during which she told me she and Snowden plan to spend the winter in Arkansas, around Hot Springs National Park.

Dorothy O'Brien and Carmel Throop are gadding about in southern California for a couple of weeks of badly needed and greatly appreciated vacation.

Alice Sorensen reports a wonderful hunting trip to Nevada with each of the six hunters bringing back a buck.

Rube Welch says that those who went hunting in Wyoming also had a wonderful trip and much success, although they have to go higher for their elk this year.

Mrs. D. C. Barnett of Bonnie Beach Resort is vacationing for three weeks at some nice quiet little resort in southern California.

Dixie Bullard, also of Bonnie Beach Resort, is spending the winter with relatives in Alabama.

Babe Gordon has returned to her home in Kings Beach after spending a few days in Tahoe Forest Hospital while suffering with a case of 'flu.

Lt. and Mrs. Paul Stahl have been transferred back to the west coast after a long sojourn at a station in Missouri. Mrs. Stahl, better known to us as Maxine Gordon, is visiting her parents, Mr. and Mrs. Jerry Gordon. She was accompanied by that lovable three months old son of hers, Larry. At the moment the Gordons have been called to San Francisco to the bedside of Jerry's mother, who is ill.

The Woman's Society of Christian Service served silver tea last Wednesday afternoon beginning at 2 o'clock at the Carpenters' Hall in Kings Beach in observance of United Nations week. Movies were shown at 7:30 p.m. at the Capenters' Hall under the supervision of the WSCS.

Mr. and Mrs. Glenn Bailey of Kings Beach are wintering in the desert country somewhere in California.

Mr. and Mrs. Lee Miller are at the Vivian Summerfield home at Incline for the winter months.

The Burroughs were happy to have the company of their daughter Uldine (Mrs. H. C. Davis) of Wichita, Kansas, for one day, last Monday, after which she returned to the the bedside of her sister, Pauline (Mrs. Marshall C. Smith), who has been critically ill at Providence Hospital in Oakland since September. At last report Wednesday Pauline shows signs of improvement.

The Lake Tahoe-Sierra Chamboard meeting Thurs-tfolShaegl g ber of Commerce holds its regular board meeting Thursday night, October 23, at George Cannon's Gateway Club on the south end. October 31 the Gateway Club will be the scene of a box social Halloween party to which it is hoped bring along pretty well filled of delicious food and the men will a lot of gals will take pretty boxes purses in anticipation of enjoying a box supper with his partner of the evening and adding to the widespread interest in the evergrowing chamber activities. This is for the entire lake area. You do not have to be a member of the chamber to come and enjoy the fun.

Ruth, Dick and Ken Lavery expect to get moved in that new home of theirs down Carnelian Bay this weekend. Congratulations to the Laverys. That's a nice place down there.

Mel Throop was among the small number of lucky hunters this fall. Mel got a nice five pointer.

Loma Sorensen and Diana Abbott spent last weekend at Sacramento with their friend Joella Ashton. While there they attended a football game and did some roller skating. Came home Sunday to rest up for the following school day—good old Monday!

A going away get-together at which 14 North Tahoe friends of Helen Walters enjoyed a pot luck luncheon at the home of Alice Sorensen last week preceded the departure of Helen and Clair for Del Mar, Calif., where they wil spend the winter.

Bertha and Gil Ballard have purchased and are occupying the Walters' home on Brockway Hill.

Wilma Abbott has added to her local Brockway telephone switchboard this year Lois Preston, local girl, in addition to Dorothy Barnett, Alice Sorensen and Byron Abbott. We should enjoy fine service this year—even better than before—as this gives us one more person on the board.

North Tahoe's fire commissioners held their regular meeting last Tuesday night. Those wishing to help with the erection of housing for the fire fighting equipment, please erport at the Variety Store in Kings Beach Saturday morning.

No. 13 Key to Boss Rule, Goodwin Knight Charges

by CLEM WHITAKER JR.

California's industrious Lieut. Governor Goodwin J. Knight told an enthusiastic audience in San Francisco last week that "a strong 'no' vote on Proposition No. 13 is your only sure way to defeat boss control of California."

Knight, who is spearheading the fight against Proposition No. 13, declared that California's cross-filing system, which has been in effect for almost 40 years, "has given the voters of this state a singularly clean political structure, free of the type of political bosses which have ruled such states as Illinois, Missouri and New Jersey with iron hands for generations."

In hard-hitting fashion, Knight charged:

"Led by a handful of disappointed office-seekers and left-wing radicals, a small but exceedingly well-financed organization is now attempting to do away with the cross-filing system which has worked so well in this state for the past four decades and has kept us out of the hands of would-be political bosses of the same stripe as the notorious Pendergast of Missouri, Hague of New Jersey, and the Kelly-Nash-Arvey crowd in Illinois.

"California under the cross-filing system has been very fortunate in its choice of leaders, and we have maintained clean government at Sacramento. I feel very sure that the vast majority of our citizens want to keep it that way, just as I feel certain that no decent citizen of California wants to turn our great state over to political racketeers.

"The repeal of the cross-filing system will not insure any greater political morality, any higher standards of political leadership, or any increase in political intelligence. On the contrary," Knight emphasized, "in the wake of repeal might arrive the political boss, the political machine and all of its inherent evils.

"That is the considered opinion of the members of the legislature, both Democrat and Republican, concerning this important issue."

Without our long-established cross-filing system, Knight stated, "under California's permanent registration law voters disgusted with machine-dominated office-holders would have no direct way of cleaning house when the situation demanded such action.

"The state of Illinois, where political machine have been running rampant for years, is now considering the adoption of a cross-filing law similar to our own so that voters may exercise a free ballot without fear of retaliation."

In a fiery summation of the case for a "no" vote on Proposition No. 13, Knight said, "If the political bosses can abolish cross-filing and put over Proposition No. 13, they will then try to make your city school board and county officials partisan political offices. That will be the death blow to good government in California."

Two Men Are Honored At Birthday Party

TAHOE CITY— Two men, well known at Tahoe, shared birthday honors at a dinner in Tahoe Inn Sunday night. They are Carl Bechdolt Sr. of Tahoe City and Dr. William Jones of Pittsburg, a frequent visitor here. Earlier in the month the two were members of a hunting party to Elko which brought back 17 big muletails, the largest of which weighed 240 pounds and was a 5-and-6 pointer.

A huge birthday cake was baked and decorated with pine cones and a huge deer head, designed by Leonard Bury. The tables in the dining room were festive with Halloween colors and favors.

Guests included Messrs. and Mesdames Carl Bechdolt Sr., Carl Bechdolt Jr., William Bechdolt, William Connors, all of Tahoe; John Alves, Walter Whitman, all of Pittsburg; Fred Thompson of Sonoma; Mrs. Nancy McMahon, Delhi; and Bob Scates, Charles A. Swanson, Pete Tracy, John Clark, all of Tahoe, and Dr. Jones.

A second birthday party was tendered Bechdolt Sr. at his home last Wednesday with guests including Mr. and Mrs. Thompson from Sonoma and Mayor and Mrs. Leland Steffanson of Newman.

Serve Dinner to 80

TAHOE CITY— More than 80 persons were served at the annual public dinner sponsored by the Women's Club of Tahoe at Tahoe Inn Monday night. Proceeds go into the club's treasury for charitable and club work. Almost $250 was realized from the dinner and sale of a 15-pound turkey to Joe Henry, a large ham to Mrs. Ruth Droste and a number of home made apple pies.

In Hospital—

Mrs. Charles Cross of Tahoe City is in Peralta Hospital at Oakland, where she is undergoing medical treatment.

BASEBALL LEAGUE BOSSES MEET SUNDAY IN AUBURN

Directors of the Placer-Nevada Baseball League will meet Sunday afternoon, October 28, at the Hotel Auburn in that city to wind up their business for the 1952 season. The time set for the meeting is 2:30 p.m.

The important matters to be taken up include the awarding of the 1952 pennant to the Lincoln Potters. Also along with the awarding of the pennant will be the presentation of the Ray Weller Cup to the Lincoln Potters. The Potters, in winning their third consecutive championship, become the permanent owners of the Weller Cup.

Another trophy will also be awarded to the player, as yet unannounced, who has been selected as the outstanding player of the 1952 season. The selection is made by a committee composed of Charles Gallagher, league president; Bill Valdon, league vice president and Ray Neves, umpire in chief.

The teams which comprise the league are Auburn, Colfax, Lincoln, Nevada City, Placerville, Placer JACL, Roseville and Truckee. The Grass Valley membership was inactive the past season.

The Golden Gate Bridge at San Francisco has an overall length of 8940 feet.

take a WARNING from a frayed wire!

It looks like such a little thing — just a frayed wire — but it is a definite danger signal. Frayed wires can cause serious accidents and start expensive fires. Don't wait until it is too late — don't ignore the sign.

Make it a habit to check your wiring regularly, especially on appliances — it will save you money and regret.

Wonder How Miss Gilbert Is in "Histery"?

By now I guess you've heard about the spelling errors in the kids' report cards this week.

A typical card looked like this:

Arithmetic.....B
Geography.....B–
Spelling.....C
Grammer.....B

I don't know if Miss Gilbert, the principal, actually wrote those cards, but she took full responsibility. This morning I hear she got up in the Assembly Hall—before all the students—and started writing GRAMMAR with two "a's" on the blackboard 100 times!

From where I sit, I'll bet this makes her even more popular with the students. It's nice to see an expert admit she occasionally makes a mistake. Too many so-called "experts" claim they're *never* wrong on such subjects as what you or I ought to eat . . . what we should wear . . . whether we should enjoy beer or buttermilk. A really wise person never claims to "know all the answers" all the time.

PUBLIC IS INVITED TO ATTEND BIG HALLOWEEN PARTY

TAHOE CITY— Denis Sach, chairman of the entertainment committee of the Lake Tahoe-Sierra Chamber of Commerce, wants to remind local residents and their friends to remember the big Halloween party and box social to be held at George's Gateway Club at the south end of Lake Tahoe on October 31, starting at 7:30 p.m.

There will be prizes for the most attractive costumes and for various other contests, as well as dancing. Everyone is welcome.

Each lady who plans to attend is asked to bring an attractively packaged box lunch to be auctioned off. The men are asked to bring their pocketbooks and be ready to go the limit for the box of your choice.

Half of the "house" proceeds of the evening and all the proceeds of the sale of the box lunches will go to the chamber to be used for promotional work and other necessary expenses.

"You're all invited to have fun and at the same time help your chamber help you," Sach said.

CHRISTMAS TREES ARE SCARCE, BRING TOP PRICES

NEVADA CITY— Extra high bids received for Christmas trees by the Tahoe National Forest indicate to Forest Supervisor Guerdon Ellis that choice Yule trees will be scarce this holiday season.

Sealed bids were opened on 19 separate tree locations within the forest.

"In an effort to keep the final price to the consumer reasonable, these Christmas trees were advertised at the modest rate of 15 cents per foot for white fir and 20 cents per foot for red fir," the supervisor said. "To our amazement, Christmas tree cutters bid these trees in at an average price 75 per cent higher than advertised rates. One choice area of 2,000 trees was bid in by the harvesters at 50 cents per foot for white fir and 60 cents per foot for red fir.

"With this kind of spirited bidding by cutters, it is a foregone conclusion that the city lot vendor will have his choice merchandise marked high," concluded Ellis.

Slight Precipitation Is Recorded at Lake

TAHOE CITY— On Friday and Saturday, localized storms left .08 of an inch precipitation at Tahoe City, according to A. E. Frodenberg, official weather observer here. High and low daily temperatures for the week which ended Monday were:

Oct. 13th: 63, 34; 14th: 64, 34; 15th: 64, 32; 16th: 67, 37; 17th: 64, 43; 18th: 55, 43; 19th: 55, 30; 20th: low 32.

The level of Lake Tahoe Monday morning was 6228.01 with 11 gates at the Tahoe City outlet open.

Leaving Tahoe—

Evelyn Bliss of Tahoe City is returning to Oakland for the fall and winter months.

WILL NOT RELEASE EXTRA WATER TO LOWER TAHOE

Release of additional water from Lake Tahoe this winter to lower the level of the lake in anticipation of possible heavy runoff next spring will not be undertaken, it was decided a few days ago by the engineering sub-committee of the Lake Tahoe conference committee.

The committee's decision, according to a statement prepared for water users and others, was based on a study of 50 years of records of the rise and fall of the lake.

It is necessary to obtain permission from the federal court to open the Tahoe gates beyond the provisions outlined in the Truckee River agreement. The committee came to the conclusion that the 50-year study indicated increasing the flow of water out of the lake would make such a minor difference in the lake level during the spring and summer that it could not be justified.

The chart, presuming precipitation would be normal this winter and next spring, showed the expected lake elevation above sea level with the gates left at normal:

October 21: 6228 feet; November 1: 6227.9; December 1: 6227.7 (expected low); February 1 to April 1: 6228; July 6: 6229.1 (expected high which is the maximum level for Lake Tahoe under the agreement).

"The normal grapns, under both conditions studied, show anticipated lake elevations close to the elevation of 6227.5, which was fixed by the conference committee as a reasonable elevation to obtain on or about November 16," said the report.

How to make good telephone service even better....

A personal number list helps to *speed your long distance calls.....* Whether it's a birthday call to the folks back home, or an important business call across the nation, you'll save time if you give the operator the out-of-town number you're calling, rather than just the name and address.

That way, you see, you won't have to wait while she gets the number from "Information" in the distant town. And a free personal number booklet . . . for the local and out-of-town numbers you call most often . . . is yours for the asking. Just call, send a postcard, or drop in to your nearest Pacific Telephone business office . . . and start your personal number list today.

Have you taken advantage of the lower rates on "station" calls when you call long distance? If you tell the operator you'll speak with anyone who answers at the out-of-town number you're calling, you'll find it can mean important savings for you.

TELEPHONE CO. WINS SAFETY AWARD

H. J. Newsham, Truckee manager of Pacific Telephone, announces the award to the Bell System of top honors by the National Safety Council recently in New York. Bell Telephone employees have an accident rate less than one-fifth that of industry in general. Their outstanding safety record during 1950 and 1951 won the National Safety Council's award of honor. R. J. Hadden, vice president and general manager of the southern California area of Pacific Telephone (left above), was on hand to accept the council's highest award for PT from Ned H. Dearborn, council president.

COUNTY BOARD O.K. IS GIVEN FOR PROMOTIONAL MAP

NEVADA CITY— Preparation of a county map by Nevada County's chambers of commerce and real estate board was authorized by a 3 to 2 vote of the board of supervisors.

For the project, the supervisors committed the sum of $1200. The board will have the right to reject or order revision of any draft submitted by the map-makers and compilers.

Action by the board followed a motion by Supervisor Frank Rowe of Grass Valley, seconded by Su- City. Supervisor H. G. Loehr of pervisor Carl Tobiassen of Nevada Truckee joined them in support of the plan. Supervisors Guy Robinson and J. C. Coughlan voted no.

Speaking in behalf of the county map idea were Don Burns, public relations director, and Sterl Boothby, president, Grass Valley Chamber of Commerce; Mosco Smart, president, Nevada City Chamber of Commerce; Charles Engle, secretary, county real estate board, and W. W. Esterly, Glenbrook realtor.

Burns said he believed the map could be ready by mid-spring. He said the $1200 appropriation will probably allow for printing 15,000 of the maps.

The supervisors also gave final approval to a map of a proposed new 40-acre subdivision on the north side of Donner Lake, to be known as the Biltz Tract. It is a project of the Donner Lake Development Company. J. N. Andregg, Auburn engineer who presented the project to the board, said it calls for 200 lots.

TAHOE AND SUMMIT POLL BOARDS ARE SET BY COUNTY

AUBURN— In effect, the Lake Tahoe area of Placer County will have four election precincts on November 4 while the county's portion of the Donner Summit area will have two. The Brockway and Tahoe precincts have again been divided alphabetically and officers listed by the county clerk for the election boards are as follows:

Brockway A: Myrtle M. Nelson, Alice Sorensen, Alta Elder, Janice A. Bailey, May E. Murray, Lolita U. Decker.

Brockway B: Winona D. Hall, Wanda F. Brooks, Clarice M. Astle, Annie P. Dolce, Eda Judy, Bertha A. Ballard.

Polling places for both Brockway precincts will be at Kings Beach School.

Tahoe A: Louise D. Geier, Beulah V. Carnell, Ida S. Simmonds, Corrine M. Otton, Frances Ellen Hanson, Dorothy J. Henry.

Tahoe B: Marie Francesca Henry, Jeannette L. Mitchell, Stella Watson, Evelyn W. Bliss, Martha H. Snyder, Gladys M. Anderson.

Both Tahoe polling places are located in the Tahoe Community Center.

At Cisco, voters will cast their ballots at Cisco Grove with Natalie Williamson, Velda B. Parsons, Lydia E. Crampton and Margaretha L. English listed as precinct officers. The Summit precinct's polling place is at Kiski Lodge with Lola Schull, Maragret E. Pierson, Elsie Olsen and Beverly J. Cardwell on the board.

"Whatever You Do - Vote YES on 2"

OUR SCHOOLS ARE IN TROUBLE! Because of the inflation, soaring birth rate, and huge out-of-State population increase since the end of the War, most school districts in California today just don't have enough money to make ends meet!

PROPOSITION 2 IS THE ANSWER. Proposition 2 gives school children and taxpayers *both* a break by increasing the State's share of school support—thus keeping our schools open without increasing the tax burden on homeowners.

WE ALL WANT BETTER SCHOOLS. We may differ deeply on election day over candidates and other ballot issues, but we all agree our children's educational needs must be met. That's why Democrats and Republicans, labor, business and farmers, *all* say: *Whatever you do—*

Notice of General and Special Election

NOTICE IS HEREBY GIVEN that a General Election will be held throughout the COUNTY OF NEVADA, State of California, on Tuesday, the 4th day of NOVEMBER, 1952, at which election candidates for the following offices will be voted upon:

Thirty-two electors of President and Vice-President of the United States;

One Representative in Congress, 2nd Congressional District;

One United States Senator;

One State Senator, Seventh Senatorial District;

One member of the Assembly, Sixth Assembly District;

One Member of the Board of Supervisors, First Supervisorial District;

One Member of the Board of Supervisors, Second Supervisorial District;

Also such other State, County and judicial district, or other officers as are provided by law to be filled at such election.

NOTICE IS ALSO HEREBY GIVEN that a Special Election will be held throughout the COUNTY OF NEVADA, State of California, on TUESDAY, the 4th day of NOVEMBER, 1952, to submit to the qualified voters of said Nevada County, State of California, the following constitutional amendment proposed by the Legislature during its Second Extraordinary Session of 1952:

Assembly Constitutional Amendment No. 3, relating to the issuance of bonds to provide loans and grants to school districts of the State.

Said Special Election will be held under the authority of Chapter 19, Statutes of the Second Extraordinary Session, 1952. It will be consolidated with the General Election to be held on said date of November 4th, 1952, and the consolidated election will be held and conducted in all respects as if there were only one election.

NOTICE IS ALSO HEREBY GIVEN that at such election there will also be submitted to the vote of the electors such proposed constitutional amendments, questions, propositions and initiative measures as are required to be so submitted by the Constitution and laws of this State.

NOTICE IS ALSO HEREBY GIVEN that at the General and Special election the polls will be open from the hour of 7 o'clock A. M. to the hour of 7 o'clock P.M. on the day thereof, and that during those hours the election will be held at the legally designated polling places in each precinct, and conducted by the legally designated precinct election officers as follows:

PLACER BOARD TO HEAR PLEA FOR TAHOE REZONING

Lillian Rechenmacher, Placer County clerk, has announced a public hearing will be held by the board of supervisors on Wednesday, November 5, regarding a petition for re-zoning certain property at Tahoe Vista. The hearing will be conducted in the supervisors room at the court house in Auburn, starting at 10 a.m.

The petitioners are Barbara L. and Emmett C. Hageman who request rezoning from single family to multiple dwelling. The property involved is described specifically as "Lots 6, 7 and 8, Block B, Tahoe Vista, Zone District Area Unit No. 6, Lake Tahoe."

All persons in favor of or opposed to granting the petition are invited to attend and be heard by the board.

SWANK BUT DEFUNCT TAHOE BILTMORE AS CAL-NEVA 'ANNEX'

Sanford Adler and his associates have purchased the defunct Tahoe Biltmore resort at Crystal Bay, Lake Tahoe, from Joseph Greenbach, California hotel operator, for $350,000, is was reported in Reno this week.

Charles Resnik, one of Adler's partners in Cal-Neva Lodge, Inc., at Lake Tahoe confirmed a report of the sale and announced that the new owners intend to spend an estimated $200,000 improving the long-closed Tahoe Biltmore.

Greenbach purchased the Biltmore at a federal Reconstruction Finance Corporation auction August 15. He paid $225,000 for the establishment and in less than two months has apparently realized a profit of $125,000 by selling the property to the Adler group.

Adler himself bid $330,000 at the RFC auction but the bid was rejected. The successful bidder, Greenbach, paid one-third down and was to pay the balance in 20 installments over a five-year period.

Tahoe Biltmore was built in 1948 and was boarded up two years later after establishing a reputation as one of the biggest white elephants at the lake. The RFC had guaranteed construction loans totaling $366,000 and the auction was conducted to recover part of the government's loss.

Resnik disclosed that the new owners of Tahoe Biltmore have also purchased vacant property adjoining the closed resort.

He said they plan to build 10 cottages with a total of 50 rooms next to Tahoe Biltmore, which itself has 40 rentable rooms. The cottages will be similar to those at nearby Cal-Neva Lodge.

The Tahoe Biltmore will be operated as an "annex" to Cal-Neva. Its casino will be open from 6 p.m. to 2 a.m. There will be no "big" floor shows at the annex. Entertainment will be furnished by acts like those featured at Club Cal-Neva in Reno, also owned by the Sanford Adler Enterprises.

The accent will be on furnishing overnight accommodations for the tourists unable to obtain them at Cal-Neva Lodge. One of the improvements planned is a swimming pool, according to Resnik.

It was said that Douglas Ross, manager of Cal-Neva Lodge, will also be in charge of the annex, which will open to start the 1953 summer tourist season.

Shortly after the Tahoe Biltmore folded, the furnishings were sold b a referee in bankruptcy to satisfy various debts. As a result, the once-swank establishment will require considerable refurnishing before it is reopened.

Limited Hunts, Controls Boost Antelope Herd

SAN FRANCISCO— California's prong-horn antelope, once faced with extinction, continues to make a come back, the California fish and game commission recently revealed.

From a total of 434 head in 1922, reported in a census prepared by the California Academy of Sciences, the 1951 population, based on the commission's annual aerial survey, was placed at 4536.

Although the present range of the antelope in California is now restricted to the counties of Modoc and Lassen, with small numbers being found in Siskiyou, Plumas, Shasta and Sierra Counties, a band of 143 were trapped and transplanted in Mono County in 1949 in an effort to extend their present range.

The first limited open season was authorized by the legislature for the taking of 500 buck antelope in 1942 and limited antelope hunting seasons have since been held in 1943, 1944, 1945, 1949 and 1951. In the latter year, the bag was but 280 animals.

Carol M. Ferrell and Howard R. Leach of the Bureau of Game Conservation have expressed the opinion that limited open range land, predator relationship and livestock competition for food are possible limiting factors on antelope numbers in the state.

SWANEE'S

Tahoe Letter

Tahoe City, Oct. 19

Dear Tahoeites:

It's so quiet at this particular time one can almost hear the pine needles falling. We had a heavy but brief rain on Saturday night which laid the dust and hail during the day which at one time covered the ground with white in our area. The autumn colors are beautiful, ranging from palest yellow to deepest red, and lovers of color pictures are having a field day with their cameras.

Deer continued conspicuous by their absence as the season ended today but Butch Beavers of William Kent Campgrounds at Tahoe Park believes that a large number of bucks may have been killed in the Lake Tahoe area although validated elsewhere. None was checked in here over the past week.

Plaudits to the state highway department for having Mr. Van Dyke and his crew of tree surgeons trim up the broked limbs on our beloved pines which were so pitifully crushed by last winter's unprecedented snows. Many of the small trees have been removed entirely and piles of dead limbs now await only the coming of the snow to be burned. Like Fran Couillard of Donner Summit, who wrote a timely comment on the ragged appearance of our bedraggled trees, it broke our hearts to see so many of our prized young evergreens unable to lift their heads as usual to the sunny skies of spring after last winter's devastating snowfall. The cleanup has been completed along Truckee-Tahoe Highway 89 where orange snow poles are up as far as the concrete bridge.

Understand from Fred Main, commander of Tahoe Flotilla 35, Coast Guard, here that news of the decision in the case of young Wallace Breuner, whose boating mishap made headlines not long ago at Meeks Bay, will be forthcoming within another ten days or so. Have had numerous queries as to availability of information regarding disposition of the case and Main assures me that the findings will be made public soon.

The little Catholic chapel near Tahoe Tavern is now truly the "little brown church in the vale," as the hymn goes, since Ernie LePire and Frank Kennedy gave it a fresh coat of brown paint. New steps were also installed at the front entrance.

Basil Kehoe is being detained longer than he anticipated at Tahoe City because the winter manager he had engaged for his store here evidently made other plans. Kehoe recently purchased Casazza Bros. grocery in Reno and had hoped before this to have joined his family there for the winter.

Carl Lofgren, genial clerk at Tahoe Inn, left Tahoe Tuesday. He plans to do a bit of traveling and has chosen Taos, New Mexico, for his first vacation jaunt. He also will go to Los Angeles to enjoy the opera season. He has several positions open for the winter but has not yet decided where he will locate.

Earline Brumbaugh has accepted the agency for the Tahoe City telephone office for the winter season. She will assisted on the switchboard by her mother, Mrs. Cleo Clark, Mrs. Jean Henry and Mrs. Dorothy Bury of Tahoe City and Mrs. Alyce Saunders of Pineland.

Walton Saunders of Pineland (husband of Alyce) observed a birthdate on Sunday. His mom baked a tasty cake for the occasion and with her husband, W. C. Saunders of Pineland, and Ruth Hatch of Tahoe City, helped the honoree celebrate.

Guests at the C. W. Vernon home in Tahoe City over the week end were their son-in-law and daughter, Mr. and Mrs. Harold Farr of Oakland. Judge Vernon has been enjoying a vacation from the bench during the past week.

Patrolman Tom Sheehan of Lake Forest is on vacation.

F. B. Sederberg of Tahoe Pines, Civil Defense area warden, is the newly appointed night patrolman now on duty in this area. The sheriff's office in Auburn has changed the routine formerly followed by winter patrolmen in this district by sending out the two men in separate cars instead of together. Understand H. E. (Pappy) Brooks remains on winter patrol duty in the Kings Beach area and Sederberg patrols as far as Lake Forest to the north, to El Dorado County line on the south and down to the underpass near Truckee on the northwestern end of the district. Charles Swanson, who worked with Brooks over the past four years, has passed the age limit allowed for Placer County employees and this winter plans to go to Saratoga to his daughter's home to make his residence. He has been an officer for the county of Placer for almost 35 years and leaves the lake with the deepest regret. Herman Tiedemann of Homewood will become cartaker for the many homes in Timberland Tract which Swanson has taken care of for years past.

Dr. Carl Watson, a member of the Reno Ski Club, informed me last week that Emil Allais will not be engaged at Mt. Rose Bowl this winter as first planned but has been signed up with a southon hand to conduct the winter ern California club. He will be sports activities of the Reno Ski Club, however, as soon as work on the beautiful new Slide Mountain area is completed, planned tentatively at this time for the winter of 1953 or spring of 1954.

Constable Harry Johanson's pet dog, Viking, did not die after all, according to latest information from the veterinarian at Reno. The dog's hip bone was eased back into the socket and he was kept in close confinement and so far has appeared to be okay. Harry goes to Reno tomorrow to get Viking and hopes the animal will continue to improve.

Sorry I did not hear of the return almost a month ago of one of Tahoe's favorite sons, Howard Carnell, son of the Floyd Carnells of Tahoe City, who has put in his time with the U. S. Marines and is now home and out of the service, having done his service. Howard saw duty in Korea and spent some time at San Diego but has taken up where he left off here. He's taken a job at the Stockton Box mill on the river near Truckee. Here's wishing him pleasant sailing in the years ahead as a civilian.

Just a word of congratulations to the Bert Watsons of Tahoe City who have grown the most beautiful stand of sweetpeas I have ever seen raised at the lake. The vines are loaded with flowers of every color and climb six to eight feet high on the east side of the house. An unusual sight with snow only weeks (or days) away.

And again today Bert Anderson and his helpers worked on our little local cemetery which now has all the picket fence completed around its 100 square foot plot. Helpers included Imon Mitchell, Gus Gaylord, Phil Olander and Wesley Donaldson—bless 'em all. Now Denis Sach, Pineland painting contractor, will take on the task of painting it white, which should remind our local citizenry that there still is needed raking ann cleaning up needed. Will publish a date in the near future when even the women folks can man a rake and aid in finishing up this worthy project. All should be done before snow flies. And I am also told that two local men have volunteered to make a new road into the cemetery and gravel it. With about 20 feet cleared along the fence by a bulldozer for parking, the task of beautification will be finished.

Ring off for the week with a prayer that this heavenly weather may continue for a spell yet. It's like a bonus from the Almighty for the terrible winter we endured earlier this year. My best to one and all, as ever, Swanee.

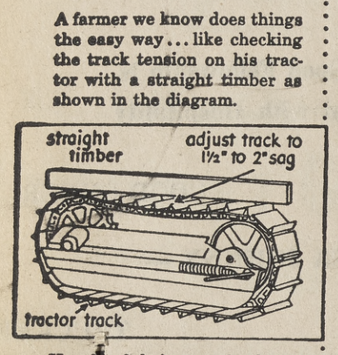
Easy Way To Check Track Tension On Your Tractor

A farmer we know does things the easy way... like checking the track tension on his tractor with a straight timber as shown in the diagram.



He also lubricates the bearings with RPM Tractor Roller Lubricant. Saves him maintenance time and costs, because it's specially compounded to provide a tough protective film on bearings. Doesn't squeeze off even under heavy shock loads.

RPM Tractor Roller Lubricant aids in sealing bearings against water, dust and grime.

SUMMIT SCENE

by FRAN COUILLARD

We head off this week's activities with Elmo Moriano's complimentary Nevada duck dinner to friends, employees, etc., at Beacon Hill Lodge. Tossed mixed greens, wild rice and buttered carrots, with the entree supreme, wild duck, cooked a la domestique by Jeannie Moriano and Peg Travis.

We've had several conversations with the new owners of Donner Summit Lodge on future improvements. We are delighted to tell you that the annual Halloween party goes on this year, as usual. Famous host Bud Horak still remains on the job to introduce you to the new owners, Bert Marvich and Johnnie Houtman. If you want to bring your kids to the Halloween party, there's a room with a baby sitter to take care of them so you can really enjoy yourself.

Which leads us to the party scheduled November 15—the Donner Party! The latter is a benefit for the new chamber of commerce of the Donner area. Sewing machines hum as the old fashioned pioneer costumes are being built for the women who are to represent the new type of pioneer. The jean and broad brimmed hat trade is going to be brisk as the fellows find a fittin' costume to their likin'. Ralph Rowton predicts snow for November 15 but the community won't allow a few feet of the stuff to stop their fun as they prepare. Prizes for the best costumes will be offered—typical and reminiscent of Beacon Hill's famous costume parties.

Summit folks get ready to meet the new owners of Crampton's Lodge, Mr. and Mrs. E. J. Helgren and family, daughter and son, from Santa Rosa. The Cramptons announce they regretfully leave their friends of 15 years on Donner Summit and the Rainbow area—but are darned glad to get away from our winter snows! The area sheds an honest tear as Bert, Lydia and Jack Crampton pack their belongings. They have been staunch, loyal, civic and irreproachable citizens. The late Mrs. Bert Crampton, who passed away in her mountain abode, headed church activities at Truckee, fought for the new Donner Trail School that graces our area, was an inspiration for forming our Community Club. Bert could not foresee another winter in the rugged Sierra without her. It is hard for the community to envision our mountain without the Cramptons but wherever they go, whatever they may do, we say God speed. To the Helgrens, we say you've taken on a pretty big job to fill the shoes of the pioneer Cramptons. You'll have to feed the hungry, counsel the forlorn, be kind to wanderers, always have a moment when you're busiest to stop for a heartfelt word of sympathy or friendship. You'll not only back the local aspirations for community progress—you'll have to get out and work for it.

Our dog, Rinnie, who has become famous (and indeed has been featured in a movie, in national publicity as a champion button chewer and a kin of the old movie dog, Rin Tin Tin) at the ripe old age of nine years has survived a bullet wound that went completely through his hips. Don't know if it was a deer hunter or not, for Rinnie is huge, ambling the color of a deer. Nevertheless, we managed to find him, to bring him home and find that he is all right, even after a bullet has passed through his hind quarters. He still barks and cavorts like a puppy when the Soda Springs mail bags are being tied up to go to the station. His hips are badly scarred but the vets tell us that Rin is all right and he certainly acts that way. Can you imagine a bullet passing completely through an animal, touching neither bone, nor sinew nor a vital organ?

ONE WIN, ONE LOSS IN PAST WEEK FOR T-T HI SQUAD

The Tahoe-Truckee High School Wolverines, employing wing formation, rolled to their first football victory Saturday morning as they pounded their way to a 30 to 6 win over the Sparks Junior Varsity. The Sparks team, outweighed by the Wolverines, were able to score only once, this coming after a wide end sweep had set them up with a first down on the two yard line. The conversion try was not good.

The Wolverine defense was too much for the Sparklers right from the start. The first Tahoe-Truckee tally came midway in the first quarter as a series of running plays set them up on the Sparks two yard line where Fullback Lewis Fellows hit right for the touchdown.

Jay Stuart and Jerry Quam set up the second touchdown by a series of passes and running plays. Fellows carried the ball for the second touchdown. The score at half time was Tahoe-Truckee 12, Sparks 6.

With six touchdowns in the tilt, not one conversion attempt was successful.

Every member of the Wolverine squad saw action in the game, with the second string doing much of the playng in the last half. The reserves proved themselves capable ball handlers and will continue to push some of the first string for starting positions.

Starting line up included Bob Tonini, RE and game captain; Gary Brumbaugh, RT; Dick Mandeville, RG; Harry Rueck, C; Ron Sanford, LG; Tom Grow, LT; Ron Pelley, LE; Jerry Quam, QB; Jay Stuart, LH; Dallas Marquis, RH; Lew Fellows, FB. Reservists on the roster are Mike Soltau, Bob Bell, Don Stark, Wilbur Conyers, Bob Sanford, Jack Van Hosser, Hugh Van Hooser, backs; Dave Germain, Rolland Gautsche, tackles; Wayne Germain, guard; Bill Walker and Bert Falbaum, centers; Clyde Mandeville, end.

Tumbled by Lincoln

The Wolverines traveled to Lincoln Tuesday for their third football game of the season. In their first they lost to Loyalton 19-0. The Lincoln lads proved too much for the mountain boys and won by a 26 to 6 score. Lincoln scored once in each quarter and led by 13 to 6 at half time.

dsbacups-syf?heB;V!1bhi thea)y

The first Lincoln score was set up as the ball was snapped back over the Wolverine kicker's head. Lincoln took over on the T-T seven. After being held for four downs and gaining only five yards to the Wolverine two, Tahoe-Truckee again gambled by passing from behind their own goal line. This pass was intercepted by Lincoln and they went over for the touchdown.

In the second quarter Lincoln scored on an off-tackle play good for 50 yards and led 13-0. Tahoe-Truckee's lone score resulted from a series of plays starting from a pass, Stuart to Tonini, for 30 yards. Quam scored as blockers cleared a path for him into the end zone.

Lincoln scored twice in the second half, making the final score 26-6.

The Wolverines are looking forward to evening their won-lost record at the expense of Pine Grove this coming Saturday at the Tahoe City golf course, game time set for 2:30 p.m.

FIRE SITUATION IN FORESTS COULD STAND IMPROVING

SAN FRANCISCO— The value of continued emphasis on adequate forest protection was pointed out by the American Forest Products Industries this week in a report just released on 1951 fire losses in woodlands of the United States.

A total of 10,780,622 acres of woodland were burned by fire in 1951, one-third less than the previous all-time low recorded in 1949. However, 67 per cent of this loss occurred on 63,624,000 acres of woodland still without an organized system of fire protection.

A total of 164,085 fires were reported last year, compared with 208,394 in 1950, with 35 per cent of these on unprotected land.

Radio communications, power equipment and improved fire fighting techniques were cited for the improved record. Incendarism continued as a principle cause of forest fires, the organization reported, with 39,396 reported as willfully started on proected land.

Careless burning of debris began 19,588 fires and smokers were blamed for 18,390 fires on protected woodlands.

Minor Injuries—

Two Tahoe City men are recovering from minor injuries suffered recently. Carl Bechdolt Sr. severely burned his fingers when he lifted a hot pan from the stove and Mike Soltau sliced off the end of a finger while cutting up some venison.

Earl Stice has applied to Bud Owens for a refund on the hunting license and deer tags Bud sold him.....Earl says he got plenty of hunting but nary a deer.....Bud retorts he'll also be missing the bucks he paid for his license and tags.....Thomas L. Sapunor of Sacramento and remembered here as a long time resident.....shone by reflection (or by resemblance) on a recent trip east.....when he was beseiged by autographanatics .....who evidently mistook him for "Veep" Alben Barkley.....Henry Wittich in town from Colfax sporting one of the cleverest campaign buttons I've seen.....a big thing, it carries the slogan when you view it from one angle..... shift it a bit and the slogan gives way to a portrait of his favorite .....It's Airman First Class for Stanley Songer Jr. recently promoted in the U. S. Air Force in New Mexico.....Soda Springs was a well known summer resort 75 years ago.....the Sacramento Bee reports in its yesteryears column that Mark Hopkins was reported to have returned to Sacramento from Soda Springs.....where he'd spent the summer....."A million do, why don' you.....belong to the PTA?".....that's an apt question in the occasional window along the commercial row in Truckee .....we have two PTA presidents here in town.....Muriel Deckwa heads the energetic elementary school group.....and "Teet" Rabin supplies the guiding hand for the high school PTA.....both have excellent programs and are well worthy of support.....If you're Tahoebound Saturday night don't forget VFW Post's gala Halloween Party.....at Bert Cochran's Log Cabin in Crystal Bay.

FAMILY NIGHT AT CHURCH SUCCESS

The success of the Family Night pot-luck supper held last Wednesday at the Community Methodist Church prompted the announcement that a similar event will be held here next month. Motion pictures of Crossroads and Dog Wanted, presented by Mrs. Olia M. Tiffee, were well received.

The following guests were present:

Mr. and Mrs. Rex Reid, Mr. and Mrs. Eugene Risden and family, Mr. and Mrs. Gerald Crew and family, Mr. and Mrs. Clarence Tollefson and family, Mr. and Mrs. George Kaspian and family, Mr. and Mrs. Howard Ingraham and family, Mr. and Mrs. Fosten Wilson and family,

Mr. and Mrs. John Beiler and granddaughters, Mrs. Emily Bergmans and family, Mrs. Muriel Frey and daughters, Mr. and Mrs. Robert Trask and sons, Mrs. Alice Mayer,

Mrs. O. T. Schumacher, Loretta Farrar, Mrs. D. McGwinn and daughters, Mrs. Fay Farrar and daughters, Cynthia Reynolds, Mrs. Emma Keingingham, Mrs. Harry Barnes and daughters, Mrs. Sylvia Beck, Mrs. George Kamp, Mrs. N. A. Carmitchel, Rev. and Mrs. A. A. Carmitchel.

Rotarians, Scouts Join For Dinner Meeting

Members of the Truckee Rotary Club met Monday evening in the newly built Community Church social hall, with the Boy Scouts of Truckee Troop No. 7, under the leadership of Clarence Osburn and Terry Tollefson, as guests. Charles Osburn presided over the session.

The program was presented by Delbert Raby, Boy Scout executive of Auburn, who outlined the program for this area during the coming five years. He also sketched the activities during the past five years and emphasized the growth of the organization.

Next week the club will return to Brown's Cafe for its Monday meeting. Scouts attending Monday included Michael Vieu, Robert Trask, Todd McGee, James Harris, Joe Miller, Kenneth Osburn, Aaron Thomas, Ray Brown and Frank Giovannoni.

Birthday Dinner For Young Roy Stallard

Roy J. Stallard observed his 9th birthdate with a birthday dinner at the home of his parents Tuesday, October 21. Those attending were Reggie Smart, David Alameda and Drew Weyman.

DOLLEY LEADER OF CAMPAIGN FOR PROPOSITION NO. 3

Every boy or girl a non-profit school educates takes that much expense load off the taxpayers, since no part of the taxes they pay into the state treasury goes to defray the expenses of operating non-profit private schools, N. F. Dolley, chairman of the "Yes on 3" campaign in Truckee, said today.

"Those parents who choose to send their children to such schools pay all the expenses incurred thereby," he said. "Moreover, while they do this voluntarily, they also pay, willingly and without complaint, their full share of the taxes required to maintain the great American public school system, although they do not use or burden it in any way.

"These facts form the crux of the reasons why, in all fairness, there should be on November 4 an overwhelming majority of 'Yes' votes on Proposition 3, which would grant tax relief to non-profit schools in due recognition of the great contribution they make to the public welfare."

In addition to schools operated by religious and charitable organizations, which would benefit by this tax adjustment, are schools for spactics, deaf-mutes, the palsied, physically handicapped children and mentally retarded ones.

"For many years," Dolley said, "non-profit schools of collegiate grade have been tax-free. Now all that is being asked by the proponents of Proposition 3 is that non-profit grammar and high schools be granted the same tax equity enjoyed by colleges and universities."

WILL SPONSOR ART WEEK EXHIBIT HERE

The Wyethia Club in conjunction with the Federated Women's Clubs will sponsor the Allied Arts program in the Tahoe-Truckee Unified School District Auditorium at 2 p.m. Sunday, November 2, featuring all types of art work including painting, sculpture and ceramics done by the children from kindergarten through high school. Robert Briggs is chairman of the event and the program will include music and dancing.

Mrs. Fred Pedley, art chairman of the Tri-County Council, said that everyone is invited to attend.

During Art Week from November 1 to 7 the local Girl Scouts, Brownies and Cub Scouts will have displays of their work in the windows at Hellers' Variety Store, Sierra Sun and Cabona's store.

Local artists are being asked to exhibit their work in the Wyethia Club edifice during that week, the date has not been set.

SMITHS RETURN FROM COLORADO

Mr. and Mrs. Harry Smith and young son, Harry Jr., are being welcomed back, after two years' absence in Colorado where they recently sold their business in anticipation of their return to make their home and to be with their many friends. The Smiths formerly held positions here and expressed themselves as glad to be back, having followed the progress of the community through the columns of the Sierra Sun. They are living at the P. J. Zydner house at Meadow Lake Park.

Mr. and Mrs. Erven Johnson also expect to arrive here the latter part of the month, following the separation of Johnson from the U.S. Air Force. Mrs. Johnson is the former Lois Horsley, daughter of Mrs. Smith, who graduated from the local high school before attending the University of Colorado. The Johnsons are looking forward to the snow, being skiing enthusiasts.

Scout Field Executive Tells Lions of Program

Delbert A. Raby, field executive for the Tahoe Area Council, Boy Scouts, from Auburn spoke last night at the meeting of the Truckee Lions Club. He graphically told of the progress the Scouting movement has made in the past five years, something of future plans and concluded by expressing appreciation for the help given the Boy Scouts in the Truckee area.

Other guests included George Hawkin, R. A. Carne, Charles Cope, Roseville; Barney White, Sacramento; Paul Rooney, Berkeley; Harold Ander, A. H. Murray, Placerville. Angelo Besio presided and Charles Heller was program chairman.

Several Vital Issues Before Chamber Meet

A number of important local issues are slated for discussion at a meeting of the Truckee Chamber of Commerce to be held tonight at 7 o'clock at Brown's Cafe. All members are invited to attend. Reg Smart will preside.

M&E Coffee Shop Scene Of Local Boy's Party

The Halloween motif was used in a party held at the M&E Coffee Shop for Darby DeLisle on his 7th birthdate October 21. After refreshments, featuring a birthday cake, the following played games: Steve and John Besio, Billy and Jimmy Rankin, Danny and John Bower, Kary Kielhofer, Joe Parkhurst, Susie Olano, Vivian and Valerie Crew, Gary Kehm, Dianne Cardinal, Judy and Linda Giovannoni, Gary and John Costa, Bonnie Fair, Michelle DeLisle.

Dyers to Capital—

Mr. and Mrs. Matt Dyer left last week for Sparks, Nev., and will spend the winter in Sacramento.

Besio from Modesto—

Tony Besio of Modesto was the weekend guest of his mother, Mrs. Steve Besio.

ASK QUICK ACTION ON FLORISTON SPAN

The residents of Floriston last week petitioned the Nevada County board of supervisors to take immediate action to restore the bridge which will span the Truckee River at that community.

Floriston has been without a vehicle bridge since November of 1950, when the flooding Truckee River wiped out the old one. Residents of the community have raised $8,437 towards their $10,000 contribution towards bridge costs. State flood repair funds will finance the additional $10,000 necessary for the new bridge.

A fabricated steel span has been delivered to Floriston but has not been erected. Floriston residents are most anxious that they get their bridge in place before winter hits.
